## BABYBJÖRN SUN COVER FOR BABY CARRIER

---

Congratulations on choosing BABYBJÖRN Sun Cover for Baby Carrier, a versatile sun protective cover for your child's sensitive skin. The sun cover fits the BABYBJÖRN Baby Carrier Original, Baby Carrier Air, Baby Carrier Active and Baby Carrier Synergy and is suitable for the same weight and age ranges as the baby carriers.

# IMPORTANT!

Read this manual carefully before use.

Keep it for future reference.

## HOW TO USE THE SUN COVER

---

Baby facing inwards.

Baby facing outwards.

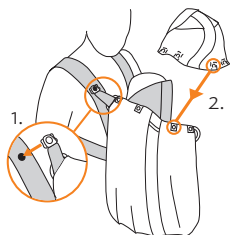

Only sun hood  
with baby facing inwards.

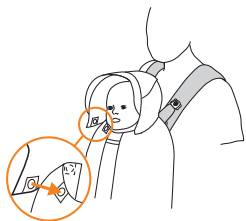

Only sun hood  
with baby facing outwards.

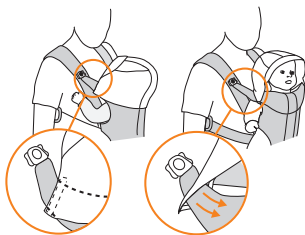

## HOW TO ATTACH THE SUN COVER

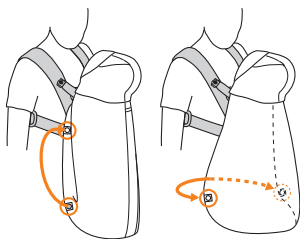

How to attach sun cover to baby carrier with baby facing inwards.

How to clip on the sun hood with baby facing outwards.

How to attach sun hood to baby carrier.

How to adjust the width and length of the sun cover.

**HELPFUL HINT!** You can leave the sun cover attached to the baby carrier when you take out your child.

**HELPFUL HINT!** When carrying the baby facing inwards, it is easier to first assemble the two pieces of the sun cover and then attach it to the baby carrier.

## UPF – WHAT DOES IT MEAN?

---

The Ultraviolet Protection Factor (UPF) rating shows how well a fabric protects the skin from solar UVR and lets you select sun protection clothing with confidence.

Ultraviolet radiation, UVR, is present in sunlight. Sunburn is one sign that the skin has been exposed to too much UVR. Clothing that is sensibly designed for sun protection reduces the UVR exposure.

## UPF 40 - EXCELLENT PROTECTION

---

This UPF rating is for the fabric and does not address the amount of protection which is afforded by the design of the article. The manipulations involved in garment manufacture such as stretching and sewing may lower the UPF of the material.

Articles which have been designed to cover the maximum area of the body are recommended. The protection offered by this item may be lessened:

- at points where the fabric is in close contact with the skin such as across the shoulders
- if the fabric is stretched
- if the fabric is wet
- with time, due to the effects of normal wear.

This item does not provide protection against reflected or scattered solar ultraviolet radiation.

## WASHING INSTRUCTIONS

Machine washable in warm water. Wash separately.

## TECHNICAL INFORMATION

The fabric is tested according to AS/NZS 4399:1996 and is rated UPF 40, Excellent Protection.

Mesh: 100 % polyester

Fabric: 100 % polyester

All textiles are Oeko-Tex Standard 100, Class 1 certified.

## **WARNING!**

- This clothing will only provide protection to the skin areas they cover.
- Make sure that your child does not get overheated.
- Always pay attention to your baby and be well aware of how she or he feels.
- Always provide the supervision necessary for the continued safety of your child.
- Always ensure an unobstructed airway for the child.
